The 10th Worcester Scout Group is a registered charity run wholly by unpaid volunteers. Parents are expected to support their children in Scouting by helping out with the Group. This can be by helping with Section evenings, serving on the Executive Committee, becoming a Leader or by contributing to Group fundraising either by helping to organise events or by attending the various events organised by others.

I accept that the Scout Group will be keeping information about my son or daughter's Membership of the Scout Movement. This may be kept on computer. I understand it will only be used for scouting purposes.

I give explicit consent to the holding of information of my son's or daughter's health, disabilities, religion or faith for scouting purposes.

The Scout Group may use my contact details to contact me in relation to my child's membership of the Scout Group.
